		Bord	lers -	-									

## Task 1: Create Table

#### Web Expression

4) Highlight the top row and merge the cells (Right Click >> Modify >> Merge Cells)

5) Enter the title of the page into the first row of the table.

6) Save the changes and close the page in Web Expression.

## **Task 2: Create New Pages**

#### **Web Expression**

- 7) Copy and paste the home page to create new pages.
- 8) Rename home to homepage
- 9) Rename the pages Refer to your rollover buttons

10) Open all the pages in Expression. You can highlight all the pages and then right

click to edit all the pages
